Liberty S

CHOOSE YOUR LIBERTY

The high-wheel scooter by definition, with unmistakable and modern lines and a comfortable flat footrest. Available in 50 cc, 125 cc, and 150 cc, it excels in the elegance of its shapes, lightweight design, and ease of handling. The Piaggio Liberty is offered in two versions: elegant and distinctive with chrome finishes in the classic version; sporty and captivating with black finishes in the "S" version.

- **Piaggio Liberty**
- **Piaggio Liberty S**

FREE YOUR EMOTIONS

Piaggio Liberty captures you with its look and convinces you with its equipment, combining brilliant performance with maximum comfort. It boasts a 3-valve i-get engine for contained consumption, ABS at the front wheel only on the 125 and 150 cc to ensure optimum braking in any condition, a roomy underseat compartment with electrically operated opening, and analogue and digital dashboard with LCD display.

Liberty

50 i-get | 125 i-get ABS | 150 i-get ABS

Its fluid elegance will fit you perfectly. Built to support your independent spirit, Piaggio Liberty dresses up its 125 e 150 cc models with chrome-plated finishes and LED running lights. A compact body, high wheels and rearward passenger footpegs all contribute to its iconic design, providing you with an extraordinary sense of stability and protection, yet without compromising when it comes to an agile ride.

FEATURES

The electronic dashboard adopts a modern and elegantly blue-lit LCD display with digital fuel level indicator and odometer. All engine capacity models are equipped with the Piaggio i-get engine family: featuring electronic fuel injection and 3 valves to ensure maximum performance, minimal fuel consumption, and extreme quietness in all riding conditions. The ABS allows you to experience two-wheeled riding with maximum safety.

The vehicle's structure and dimensions convey a feeling of stability even to less experienced drivers. Comfort is enhanced by the attention to the ergonomics of the rider, who can rely on a proper riding triangle thanks to the low seat, and of the passenger with the comfortable retractable footrests and the space provided by the long seat. The front lights accentuate the Liberty's design. Elements such as the split-spoke wheels define the vehicle's elegant and unmistakable mood.

Liberty *S*

50 i-get | 125 i-get ABS | 150 i-get ABS

Energy on the move. Liberty S, with its lively and sporty spirit, emphasises the technical and design features of Piaggio Liberty. A reference point to accelerate your days with a mix of technology, sophisticated details and enjoyment.

The "S" version expresses all the energy of your personality and dynamism of your daily life. Details that set the style tone: the saddle with exclusive finishes, the diamond-edged wheel rims and the black rear view mirrors.

SERVICES

X-CARE +

EXTENDED WARRANTY

The X-Care Extended Warranty completes the dedicated services on offer, protecting your peace of mind when it comes to your Piaggio scooter and allowing you to travel worry-free. In addition to 2-year factory warranty, you can enjoy further protection with a 1 or 2 year extended warranty which includes roadside assistance.

- Coverage of repair costs for faults due to manufacturing or assembly defects on parts
- Replacement of any damaged parts with original spare parts, labour included
- Roadside assistance that guarantees two service to the nearest Piaggio Service point
- Specialised, certified Piaggio Group Service assistance
- Maintenance of the retail value of your used vehicle in case you decide to sell
- Coverage throughout Europe

The services described can be activated on models with displacement greater than 50 cc.

Ask your dealership or your authorised service centre for full details of the services and coverage available in your country.

X-CARE +

MAINTENANCE

Thanks to the X-Care+ Maintenance services offered by the brand, you can drive your Piaggio scooter without a care in the world. When you select and purchase one of the packages available to meet various needs, you will be entitled to periodic scheduled maintenance in line with the specifications set out in the use and maintenance manual. The services described can be activated on models with displacement greater than 50 cc. Check the packages available for the various models with your preferred dealer.

With DreamRide, your dream of riding a Piaggio scooter is even easier to achieve. In fact, you can choose the most suitable financing solution for you, selecting it from a range of services conceived by the Piaggio Group to meet the numerous and changing financing needs.

The company reserves the right to make technical and aesthetic changes at any time. Full information on models and accessories is available at www.piaggio.com. Ride carefully, always wearing a helmet and suitable gear. Always comply with the rules of the road and respect the environment. Read the operating and maintenance manual carefully. Always ask for original and approved spare parts in accordance with current legislation. Visit an Official Piaggio Dealership or Authorised Retailer for a secure purchase and guaranteed service support.
