PIAGGIO®

# ***URBAN CROSSOVER***

KEYWORD VERSATILITY

Piaggio Beverly, the most sought-after and admired high-wheel vehicle, symbol of elegance and dynamic character, continues to evolve and astonish. Born for urban commuting in any situation, with its agility and easy handling, Piaggio Beverly is also the ideal companion for suburban, two-up riding, thanks to its ability to provide a comfortable, pleasant and hi-tech experience.

# *SPORT ATTITUDE*

NOT JUST ELEGANCE

The unmistakable design maintains its popularity in the sport-inspired look. At a glance, the LED headlamp at the centre of the handlebar and the front end stand out. The LED turn indicators and position lights define the edge of the leg shield, creating a luminous “signature”, immediately recognisable even in daylight. The rear maintains the LED taillight unit and the motorcycle-inspired licence plate holder. The glossy black details and the wheels with their seven split spoke pattern draw looks and the saddle with its double covering shows extreme attention to detail.

# CHOOSE YOUR BEVERLY

Piaggio Beverly offers three models, designed to meet every type of need. Beverly, for those who want to move with style and charm. Beverly S, for those with a sporty and exuberant spirit. Beverly Deep Black, for those who want to stand out with the iconic livery.

# USEFUL TECHNOLOGY

IMPROVE YOUR EXPERIENCE

Technology transforms interaction with the vehicle and streamlines the on-board experience. The keyless system lets you keep the key in your pocket whilst starting the engine, opening the saddle and the fuel door and locking the steering column. The remote Bike Finder feature helps you pick your vehicle out even in crowded car parks, activating the turn indicators and blowing the horn on command. At the centre of the "handlebar", you'll find the 5.5" digital LCD dashboard and, on the sides, the ergonomic switches. The light clusters and turn indicators implement LED technology. The advanced Piaggio MIA on board connectivity system, standard equipment on the Beverly 400 hpe, lets you connect your smartphone via Bluetooth to Beverly's on board electronic system.

AND COURTESY LIGHT

# DESIGNED FOR YOU

The helmet compartment under the seat, featuring a courtesy light, maintains outstanding cargo space, able to hold two jet helmets. A result achieved thanks to the positioning of the fuel tank at the centre of the footboard, another one of Piaggio Beverly's particular features from its birth, which also provides other benefits such as the possibility of refuelling without getting off the scooter and excellent rideability features due to better centralisation of the masses. Cargo capacity is rounded out by the practical luggage rack with its integrated passenger grab handles, the glove box incorporated in the leg shield back plate, complete with a USB port inside to charge mobile devices, and the retractable bag hook. The 400 hpe version also stands out with a flyscreen that comes standard and emphasises its suburban touring personality.

# CHOOSE ELEGANCE

ELEGANT AND URBAN

Urban character, elegant and reliable in terms of performance and ride, Piaggio Beverly holds up brilliantly on long, suburban routes. Thanks to its comfortable riding position and the spacious storage compartment under the seat that can hold two helmets, it is the ideal solution for a satisfying ride even on a weekend outing. Its elegant style is confirmed in the detail of the warm and attractive metallic finishes, like those of the luggage rack, the passenger footrests and the instrumentation frame, combined with the new dark brown seat with tone on tone double stitching. The glossy and modern Nero Cosmo, Bianco Luna and Grigio Cloud colours create a warm and elegant combination with the metallic finishes and the light grey wheel rims.

# CHOOSE SPORTIVENESS

GRITTY AND URBAN

**Beverly** *S*

300 HPE ABS/ASR  
400 HPE ABS/ASR

Beverly S expresses its more sporty and aggressive side. The design lines and the original stylistic choices interpret its exuberant spirit. The sportiness of the vehicle is emphasised by the grey graphite details like the luggage rack, the passenger footrests, the central tunnel and the wheel rims, as well as the dual-material saddle with double stitching. Piaggio Beverly is available in three refined matt colour schemes, Argento Cometa, Verde Jungle and the charismatic Blu Zaffiro.

# *FEATURES*

- DESIGN WITH MODERN AND DYNAMIC LINES
- SUSPENSION SYSTEM FOR MAXIMUM STABILITY AND COMFORT
- KEYLESS SYSTEM
- FULLY DIGITAL INSTRUMENT CLUSTER

- SPACIOUS UNDERSEAT COMPARTMENT LARGE ENOUGH TO HOLD TWO HELMETS
- GLOVE COMPARTMENT WITH USB PORT
- SPORTY STYLE WITH DOUBLE-MATERIAL AND CONTRASTING DOUBLE-STITCHED BLACK SADDLE
- GRAPHITE EFFECT FINISHES, LIKE THE DARK GREY WHEEL RIMS

# CHOOSE DEEP BLACK

TIMELESSLY URBAN

The new Deep Black trim lends Piaggio Beverly an even bolder character, matching the matt Nero Meteora colour with some gritty glossy black details, with the same finish extending also to the wheel rims. It also has a dedicated seat which adopts a total black style, with tone-on-tone single stitching. A "minimal" look highlighted by the Beverly plate on both sides, again finished in glossy black, and the removal of the side stand.

# SERVICES

## X-CARE +

### EXTENDED WARRANTY

The X-Care Extended Warranty completes the dedicated services on offer, protecting your peace of mind when it comes to your Piaggio scooter and allowing you to travel worry-free. In addition to 2-year factory warranty, you can enjoy further protection with a 1 or 2 year extended warranty which includes roadside assistance.

- Coverage of repair costs for faults due to manufacturing or assembly defects on parts
- Replacement of any damaged parts with original spare parts, labour included
- Roadside assistance that guarantees two service to the nearest Piaggio Service point
- Specialised, certified Piaggio Group Service assistance
- Maintenance of the retail value of your used vehicle in case you decide to sell
- Coverage throughout Europe

The services described can be activated on models with displacement greater than 50 cc.

Ask your dealership or your authorised service centre for full details of the services and coverage available in your country.

## X-CARE +

### MAINTENANCE

Thanks to the X-Care+ Maintenance services offered by the brand, you can drive your Piaggio scooter without a care in the world. When you select and purchase one of the packages available to meet various needs, you will be entitled to periodic scheduled maintenance in line with the specifications set out in the use and maintenance manual. The services described can be activated on models with displacement greater than 50 cc. Check the packages available for the various models with your preferred dealer.

With DreamRide, your dream of riding a Piaggio scooter is even easier to achieve. In fact, you can choose the most suitable financing solution for you, selecting it from a range of services conceived by the Piaggio Group to meet the numerous and changing financing needs.

The company reserves the right to make technical and aesthetic changes at any time. Full information on models and accessories is available at [www.piaggio.com](http://www.piaggio.com). Ride carefully, always wearing a helmet and suitable gear. Always comply with the rules of the road and respect the environment. Read the operating and maintenance manual carefully. Always ask for original and approved spare parts in accordance with current legislation. Visit an Official Piaggio Dealership or Authorised Retailer for a secure purchase and guaranteed service support.
